topped off his description of these two men as being ex-workingman, which he clarified by seying they were walking delegates whom he did not know. He told the committee that he was protecting Brindell both through fear and friendship.

While indictments were being handed down by the grand jury Mr. Untermyer announced to the committee in City Hall that John T. Hettrick, head of the "Code of Practice" group of contractors, had disappeared and that subpens servers had been unable to find him. His office, at 165 Broadway, had been cleared of all furniture and nobody in the huilding knew anything of his whereabouts. It was understood he had left the jurisdiction of
